

Update: AppleShare IP 5.0.2

In response to customer feedback, Apple Computer has recently released AppleShare IP 5.0.2. This version provides support for Mac OS 8 and the WebSTAR API.

The AppleShare IP 5.0.2 Update includes the following:

- AppleShare IP 5.0.2
- NetCloak from Maxum (on CD only)
- LogDoor from Open Door Networks (on CD only)
- Mac OS 8 (on CD only)
- Open Transport 1.2.1

You can download the AppleShare IP 5.0.2 update from Apple's World Wide Web site: <http://appleshareip.apple.com>.

If you can't download the software and you are in the United States, you can order the AppleShare IP 5.0.2 Update CD through the fulfillment program by fax or U.S. mail for \$25 plus tax plus \$6.95 for shipping and handling. To order by mail in the U.S., please send a copy of your receipt or manual cover for AppleShare IP 5.0 and a request to order the AppleShare IP 5.0.2 Update along with payment to

Apple Software Order Center
PO Box 1470
Buffalo, NY 14240-8640

To order by fax, fax your receipt or manual cover and payment information to 716-447-7305.

Visa, Mastercard, American Express, and personal checks are accepted. Please make checks payable to Claris Corporation. No purchase orders will be accepted. Tax-exempt customers must include a copy of their tax exempt certificate. Please allow 2-3 weeks for orders to be received, processed and delivered. Pricing and availability subject to change without notice. Offer good in the U.S. only. To check the status of an order placed through one of the above options, please call 1-800-293-6617.

The AppleShare IP 5.0.2 Update CD fulfillment program expires June 30, 1998, subject to availability.
